

PRO ART CLUB

Pro Art & Co was founded to promote international art and culture aiming to narrow the borders which are dividing people, and to create bridges over cultural barriers. Pro Art promotes events based on the cultural diversity of ethnic groups, their philosophy and faiths, expressing it through art.

To participate in art is an intellectual and aesthetic experience in life. An artist is a creator and a generator of the spirit embedded in art. This bud of energy, emerging from within, will give the necessary input for the creation to manifest and our task is to bring it close to you, the audience.

We organise events in the fields of:

VISUAL ART, PERFORMING ART, LITERATURE, MUSIC, MULTI-CULTURAL EXCHANGE

Poetry reading/story-telling

Classical music/concerts/dance
